Geothermal Resources Council

Policy Committee Application (Optional)

(pg. 1)

rv 4/2018

The **GRC Policy Committee (PC)** is an add-on option for GRC members who want to fund advocacy work at the federal, state and local levels. A continuation of the expansive work of the Geothermal Energy Association (GEA), the Policy Committee is comprised of companies and individuals from a broad spectrum of the geothermal power industry. The GRC Policy Committee advocates for public policies that will promote the development and utilization of geothermal resources and provides a forum for the industry to discuss issues and problems.

Please note you must be a GRC member first to sign up for the Policy Committee.

Policy Committee Levels (fees are in addition to GRC membership fees):

Individual \$70 - PC Individual Members will be included on the PC mailing list to be kept apprised of activities as well as receive an invitation to participate on PC calls. *(available only to GRC Individual, Student, and Retired members)*
