*\*Each corporate representative will have the same voting rights as an individual membership - One vote for each rep regardless of whether or not the corporation/organization has maxed out of the number of reps for the corporate level purchased. An actual person employed by the company must be designated as a rep in order to vote. *By purchasing a GRC membership or adding your personal data to the GRC database for the use of the GRC websites, and/or to receive communications of our newsletters, emails announcements, etc., you are agreeing to the terms and conditions outlined in the GRC Privacy Policy.*
